

## Puzzel API Documentation

After having read through the articles, you can head over to the [API Explorer](#) to invoke methods in real-time and inspect the responses from your Puzzel account.

You can find the API's in the following locations:

Puzzel Agent Application rest API explorer : <https://developer.puzzel.com/>

chat API explorer : <https://developer.puzzel.com/chatapi/>

Dialler API : <https://api.puzzel.com/Dialler/swagger/ui/index>

WFM API : <https://docs.wfm.puzzel.com/>
