

Statistik (Statistics)

Der er en række forskellige standardrapporter at vælge imellem, og du kan også lave dine egne rapporter under Brugerdefinerede rapporter (Custom Reports). Du kan oprette rapportkategorier og placere dine brugerdefinerede rapporter i forskellige kategorier for at skabe et bedre overblik og forenkle adgangskontrollen.

The screenshot shows a web interface for 'Reports'. At the top left, there is a breadcrumb trail: 'Home » Statistics » Reports'. The main heading is 'Reports' with a help icon (question mark) to its right. In the top right corner, there is a link labeled 'Storage time and delay'. Below the heading, there is a list of three report categories, each with a red triangle icon to its left:

- ▶ Standard Reports
- ▶ Custom Reports
- ▶ Report Category
