

## Sortering og filtrering af artikler

Du kan sortere artiklerne i den valgte kategori alfabetisk ved at klikke på knappen Sortér artikler (Sort articles) øverst på skærmen.

The screenshot displays the Puzzel article management interface. On the left is a navigation menu with categories like Sales, Support, Insurance, etc. The main area shows a list of articles under the heading 'All Articles (31)'. At the top right, there are controls for language (English), sorting (Sort Articles), and a '+ Article' button. The article list includes titles, creation/publish dates, authors, and flags for localization. The first article is 'Article to test copy to clipboard with formatting' by Asen Tahchiyski, published on Oct 06, 2020. The second is 'Article with a video' published on Jan 17, 2020. The third is 'article with richtext' published on Jun 11, 2020. The fourth is 'Cat: Sales Section: Article 1' by Oscar Wilde, published on Jan 29, 2019.
