

## See contacts and search for contacts

On the Start/Home page you can see all the contacts in the list (20 contacts per page), and you can search for contacts.

When you search, contacts that **contain** you search string in First name, Last name, Working title, Organization, Department, phone numbers and email addresses are returned.

You can click on a contacts name to see this contacts details:

The screenshot shows a user interface for viewing contact details. At the top, there is a dark navigation bar with the user name 'Andreas Demo 10010' and icons for Home, File upload, Settings, Log, and Help. Below the navigation bar is a '< Back' link. The main content area displays the name 'Paal Kongshaug' in a large font. Below the name, there are two columns of contact information. The left column includes First name (Paal), Last name (Kongshaug), Phone (+47218...), Mobile (+47982...), Email 1, Email 2, Organization (Puzzel), Street name (Fredrik Selmers vei), Zip code (0663), Country code (NO), External Id (99101), and Modified (16.10.2019 13:06:29). The right column includes Working title (Product Owner), Department (Product), Street number (3), and Zip location (Oslo). At the bottom left of the contact details, there is a 'Delete' button.
