

Logging into the Puzzel App

To log into Puzzel on Zendesk Support, click on the Puzzel icon on the left navigation bar as shown in the image below. Enter your credentials and click the **Login** button. Upon successful validation of the credentials, you will be taken to the overview page.

The screenshot shows the Zendesk Support interface with the Puzzel Demo application selected in the left navigation bar. The login form for the Puzzel Demo application is displayed in the main content area. The form includes three input fields: 'Customer number', 'Username', and 'Password'. Below these fields is a 'Login' button. The navigation bar on the left contains various icons, including a red notification badge on the Puzzel icon. The top right of the interface shows search and user profile icons. The footer of the interface indicates 'Provided by helphouse.io'.
