

Import History

The Import history shows files that are imported into the list in the Puzzel database. The source will be Puzzel Admin Portal or FTP.

| File Name | Import Time | Action | Imported Items | Deleted | Status | Source |
|----------------------------------------|---------------------|----------|----------------|---------|-----------|---------------------|
| Dialer list.txt | 19.09.2017 10:54:52 | Added | 10 | - | Completed | Puzzel Admin Portal |
| Dialer list.txt | 19.09.2017 10:21:33 | Replaced | 10 | - | Completed | Puzzel Admin Portal |
| Dialer lang testliste med duplikat.txt | 27.07.2016 15:15:50 | Replaced | 18 | - | Completed | Puzzel Admin Portal |
| Dialer lang testliste med feil nr.txt | 27.07.2016 14:46:33 | Replaced | 15 | - | Completed | Puzzel Admin Portal |

For a file that was not imported correctly, you can click on Failed/aborted in the status column to see a detailed error message.

You will find the 100 most recent records here.
